SCROFULA AND SCROPULOUS DISEASES. From Emery Eiles, a well-known merchant of Oxford, Maine.

"I have sold large quantities of your SarsatarILLA, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our community." Eruptions, Pimples, Blotches, Pustules, Ulcers, Sores, and all Diseases of the Skin.

From Rev. Robt. Stratton, Bristol, England.
"I only do my duty to you and the public, when I add my testimony to that you publish of the medicinal virtues of your Sarsapanitta. My daughter, aged ten, had an afflicting humor in her ears, eyes, and hair for years, which we were unable to cure until we tried your Sarsapanittal. BAPARILLA, which soen completely cured her."
From Charles P. Gage, Esq., of the widely-known from
of Gage, Murray & Go., manufacturers of enamelled papers in Nahma, N. H.
"I had for several years a very troublesome humor in my face, which grew constantly worse until
it disfigured my features and became an intolerable
affliction. I tried almost everything a man could of
both sidvice and medicine, but without any relief
whatever, until I took your Sansapanatila. It
immediately made my face worse, as you told me it
might for a time; but in a few weeks the new skin
began to form under the blotches, and continued
until my face is as smooth as anybody's, and I am
without any symptoms of the disease that I know
of. I enjoy perfect health, and without a doubt owe
it to your Sarsapanilla."

From J. E. Johnston, Esq., Wakeman, Ohio.

"For twelve years I had the yellew Erysipelas on
my right arm, during which time I tried all the celebrated physicians I could reach, and took hundreds
of dollars' worth of medicines. The ukers were so
had that the cords became visible, and the doctors
decided that my arm must be amputated. I began
taking your Samsaparilla. Took two bottles, and
some of your Pills. Together they have cured me.

From Hon. Henry Monro, M. P. P., of Newcastle, C.

Scald Head, Sore Eyes.

From Harvey Sickler, Esq., the able editor of the Tunckhannock Democrat, Pennsylvania.

"Our only child, about three years of age, was attacked by pimples on his forehead. They rapidly agreed until they formed a loatheome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skilful physician applied nitrate of silver and other remedies, without any apparent effect. For fifteen days we guarded his hands, lest with them he should tear open the festering and corrupt wound which covered his whole face. Having tried every thing else we had any hope from, we began giving your Sarsarasilla, and applying the iodide of potash lotion, as you direct. The sore began to heal when we had finished the second. The child's eyelashes, which had come out, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die."

Du. Aven.—My dear Sir: I have found your Saibaparantilla an excellent remedy for Syphilis, both of the primary and secondary type, and effectual in some cases that were too obstinate to yield to other remedies. Ittl alterative is required."

Mr. Chas. S. Van Lieu, of New Brunsteck, N. J., and dreadful ulcers on his legs, caused by the abuse of mercury, or mercurial disease, which grew more and more aggravated for years, in spite of every remedy or treatment that could be applied, until the persevering use of Ayrk's Sarsararilla releved him. Few cases can be found more inveterate and distressing than this, and it took several dozen bottles to cure him. Leucorrhoss, Whites, Female Weakness are generally produced by internal Screfulous Ulcer-ation, and are very often cured by the alterative effect of this Sarsapaulla. Some cases require however, in sid of the Sarsapaulla, the skilfu application of local remedies.

From the well-known and widely-celebrated Dr.
Jacob Morrill, of Cincinnati.
"I have found your SARSAFARILLA an excellent alterative in diseases of females. Many cases of irregularity. Leucorrhoa, Internal Ulceration, and local debility, arising from the scrofulous diathesis, have yielded to it, and there are few that do not, when its effect is properly aided by local treatment." A lady, unwilling to allow the publication of her name, writes:

"My daughter and myself have been cured of a very debilitating Leucorrhea of long standing, by two bottles of your Sansapanilla."

Rheumatism, Gout, Liver Complaint, Dyspepsia, Heart Disease, Neuralgia,
